November 18th 2026,
531 S. Cedar St. Drain, Or 97435
5:00 PM

The monthly meeting of the North Douglas County Fire & EMS Board of Directors was called to order at 5:00 by Richard Barrone with Richard Rawson, Rhonda Sheets, Ameila Grabinski and Jim Rogers present.

There was no media to introduce or citizens who weren't on the agenda. Richard B. made a motion to consent agenda which included approval of October's minutes, treasurer's report and payment of the bills seconded by Richard R. Rhonda, Richard R. Richard B, Ameila, and James all voted in favor, no one voted against. The motion passed.

Chief's Report: Chief went over the activity report. There have been a lot of back-to-back calls lately so the crews have been very busy. The extrication training in Rice Hill went well. Medic 16 hit a deer on the freeway on the way back from the hospital one night. No one was injured and it is in for repairs. We did not receive one of the building grants we put in for.

Old Business: The engine has been ordered but there is no timeline on completion. The on-site portion of the audit has been completed, and the Auditor feels he will be able to have it completed by the end of the year.

New Business: Chief will be communicating more with the board with the understanding that it will be informational only not discussion to ensure no breach of public meeting law.

Good of The Order: Sheryl talked to the Board about December meeting being historically very short and potentially unnecessary with everyone being so busy right before the Holidays. Rhonda moved that unless business arises making a December meeting necessary, we skip that meeting. Seconded by Ameila, Richard R, Richard B, James, Rhonda and Ameila all voted in favor passing the motion. Chief will contact the Board if something comes up that cannot wait until January.

The motion to adjourn was made by Richard B, seconded by James. Richard B, Richard R., Amelia James, and Rhonda all voted yes.

Meeting adjourned at 5:25
